

## 2010 Annual Meeting Deacon's Report

For the LORD is good; His lovingkindness is everlasting and His faithfulness to all generations. Psalms 100:5

Economic uncertainty - unemployment - change and reform are just a few terms that come to mind from 2009.

It is comforting to know that we worship a God who does not change - ever, and will be there for us - always!

We are grateful for the generosity shown by the body of Christ at CBC. The sharing of resources and talents have allowed us to continue and also expand ministries, while maintaining or updating church property. We have also been able to allocate \$142,000 to the building fund. What a tremendous witness to God's faithfulness!

The Deacon board consists of Bob Hofer, Rick Vallery, Roger Brees, Tim Brown, Bruce Fossen, Rich Zabel  
Kevin Hofer.

The Deacon board's oversight of administrative and facility projects of the past year are as follows:

### Administration

- Annual employee evaluations were completed.
- Employee job descriptions and responsibilities were reviewed and re-defined.
- Brooke Dozark was hired as Adult Education/Church Event co-ordinator.

### Facility Projects

- Power rake for Mexico Mission project.
- Dishwasher installed in FLC kitchen.
- Laptop for sanctuary audio/visual booth.
- The sanctuary was painted.
- Tables and chairs for elementary S.S. rooms.
- Restroom, nursery and quiet signs in the sanctuary foyer.
- Automated External Defibrillator installed and leadership boards trained.

We covet your prayers - that we would be wise stewards of God's provision in 2010.

To God be the Glory,

Kevin Hofer, Deacon Chairman
