

To the CBC Board of Elders,

Thank you so much for allowing the Mothers of Preschoolers group to use the church building and facilities. The church building is perfect for our needs. Many members of Community Bible also volunteer with MOPS and make the program a great one. We have about 50 women from various church or unchurched backgrounds involved in MOPS. At each meeting, their children sing songs about Jesus and listen to Bible stories. Throughout the year, the MOPS members hear speakers who encourage them to follow Jesus in their marriages and in motherhood. Through our meetings and relationships, we try to encourage each woman to develop a growing, personal relationship with Jesus. Community Bible Church and its members are helping make possible this ministry that encourages so many mothers. Thank you.

Sincerely,
Trish Sargent, 2009-10 Coordinator
