Worship Annual Report

Certainly we have a God who is worthy of our worship. This year we have been trying to present a variety of musical styles and settings in hopes that everyone can worship through one or more styles such as a "Guitar Band" every couple of months, a "Praise Choir" every couple of months, "Single Worship Leader", "Soprano Alto Bass" Worship Team", "Soprano Alto Tenor Bass" Worship Team" "Contemporary" sets, "Traditional " sets, "Blended" sets, "Country/Folk" sets, etc. The goal of presenting a variety worship music is difficult at times but more than worth the effort in seeking to honor God through music.

Thank you to everyone who has been sharing their musical gifts in His service and for encouraging the church body to join together in worship. Please feel welcome to get involved in the worship ministry and allow God to glorify Himself through how He has gifted you.

Thank you and God Bless,

Kerry Freidel
