

Our last meeting of the month, **December 17**, we'll be celebrating the birth of Jesus! After checking in your clubber, we invite parents to stay for opening, some Christmas songs, and then to the gym for some cupcakes. If you would like to accompany your clubber throughout the rest of the evening you are more than welcome to do so. We do intend on having the cupcakes finished up around 7, for the clubbers to be able to have a shortened game time, club time and council time, with the evening concluding at 8. Please come celebrate with us before our Christmas break. AWANA resumes January 7, 2026. See you then!
