

CBC Deacon Report

November 2021

Romans 12: 10—13 Be devoted to one another in brotherly love; giving preference to one another in honor; not lagging behind in diligence, fervent in spirit, serving the Lord, rejoicing in hope, preserving in tribulation, devoted to prayer, contributing to the needs of the saints, practicing hospitality.

The main role for the Deacon Board at Community Bible Church is for the maintaining and upkeep of the church facilities, administer the proper financial duties, and remain cognizant of the spiritual needs of the church as directed by the Elder Board and to serve the church's congregation.

With God's guidance, there have been many accomplishments over the last year. To name a few:

- Maintain a high standard of cleanliness;
- Development of a five year plan that provides guidance for future planning and needs;
- Installation of security lights in the back;
- Address the needs of a Brother after health issues;
- Re-flooring of room 200;
- Purchase of tables and chairs for the FLC;
- Address family access to the church thru the use of access codes; and
- Significant reduction in the new building fund debt.

The Deacon Board is currently reviewing the software subscriptions needed for current operations, which will continue into next year. Another subscription service under review is background checks.

I would be remiss, if I did not acknowledge the full and part time staff of Community Bible Church and the wonderful job they are doing in their respective duties. They are Godly people who serve well.

Last, it is an honor to serve as Chair on the Deacon board and to work with all the Deacons as a team, to serve the congregation, and most importantly serve our Lord God.

In Christ,

Rick Vallery, Chair
