## WHAT WE BELIEVE

~ That Jesus is the Son of God who became a man to die for the sins of the whole world; He was raised from the dead and ascended back to heaven; He is coming again. (1 Cor 15: 1-8)  
 ~ That the Bible is the inspired word of God and is the only authority for our faith (what we believe) and practice (how we are to live). (2 Tim 3:16) ~ That every person has worth as a creation of God, but that all have sinned and fallen short of the glory of God. (Rom 3:23) ~ That forgiveness of sins, the promise of eternal life and an abundant life are available to those who believe that Jesus Christ is Savior and Lord. (Jn 3:16) ~ That those accepting Christ shall repent of sin, confess faith, and be baptized into Him. (Rom 10:9; Acts 2:38) ~ That the Church exists to provide for the spiritual growth of the people and to see that the Gospel is preached to everyone. (Eph 4:1-16) ~ That Jesus Christ will one day return to earth and reign forever as King of kings and Lord of lords. (1 Thess. 4:13-18)

## “FROM PULPIT & PAPER” Parsing Providence

God upholds, directs, disposes, dictates, and governs all creatures, actions, and things ranging from the smallest to the largest (Westminster Confession of Faith, 5.1). Theologians label this doctrine as *providence*. God governs in different ways: there exists ordinary, special, and miraculous providence.

Ordinary providence pertains to (surprise!) *ordinary* events: the sun rising and setting, consistency in the rate of gravity, making a phone call, going for walk, etc. This form of God’s governance grabs our attention the least. Frankly, we take it for granted. We mustn’t do that, for Scripture teaches that Christ “upholds the universe by the word of his power” (Heb 1:3).

Special providence occurs when God uses natural means to accomplish extraordinary events. An example of this: the Dunkirk evacuation. During WWII, after a National Day of Prayer, some 338,000 allied soldiers were saved from certain death at the hands of the Nazis when a mist descended that protected the allied soldiers while a stillness blanketed the waters. Both unusual factors coalesced to allow for the naval evacuation, and this episode changed the overall trajectory of the War.

Miraculous providence occurs when God intervenes in a way that is not explicable by purely natural causes. The resurrection of Jesus Christ and the splitting of the Red Sea feature as great examples of miraculous providence. Miracles happen today—God still works in this manner.

Look closely for God’s work, and my hope is that this framework will aid you in that pursuit.

### **The Pilgrim's Progress: Part 2** **Led by: Pastor Chance Sumner**

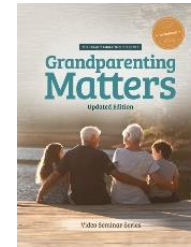

What's the greatest Christian novel ever written? If judging by sales, it's *Pilgrim's Progress*. Since John Bunyan authored it, this has been a treasured work for many and yet numerous Christians have never actually read this important book. In this class, we will read part two of *Pilgrim's Progress* and discuss the many great themes that arise during Christiana's journey. Join us as we travel along the path to the Celestial City!

### **1<sup>st</sup> Samuel** **Led by: Kim Kahler**

In the Study of I Samuel we will be introduced to Hannah, Eli, Samuel, Saul, Jonathan, and David. We will look at these lives and see their response and resistance to God. By studying God's Word, we will make application to our lives from these famous Biblical characters.
