WHAT WE BELIEVE

~ That Jesus is the Son of God who became a man to die for the sins of the whole world; He was raised from the dead and ascended back to heaven; He is coming again. (1 Cor 15: 1-8) ~ That the Bible is the inspired word of God and is the only authority for our faith (what we believe) and practice (how we are to live). (2 Tim 3:16) ~ That every person has worth as a creation of God, but that all have sinned and fallen short of the glory of God. (Rom 3:23) ~ That forgiveness of sins, the promise of eternal life and an abundant life are available to those who believe that Jesus Christ is Savior and Lord. (Jn 3:16) ~ That those accepting Christ shall repent of sin, confess faith, and be baptized into Him. (Rom 10:9; Acts 2:38) ~ That the Church exists to provide for the spiritual growth of the people and to see that the Gospel is preached to everyone. (Eph 4:1-16) ~ That Jesus Christ will one day return to earth and reign forever as King of kings and Lord of lords. (1 Thess. 4:13-18)

“FROM PULPIT & PAPER”

THE SCIENCE™

COVID altered my worldview. Specifically, the pandemic changed my view regarding the role that science has in society. Ideas that were once fringe are now widely accepted as true, and ideas that were once THE SCIENCE™ have now been discredited. Those in authority used THE SCIENCE™ to justify their decisions. We were told to go with the flow and trust what they say. The West was duped.

Never again will I blindly trust THE SCIENCE™. I shouldn't have trusted it all along, but I had to learn. I'm a trusting person. My disposition is to follow “the experts.” Why wouldn't I? They trained for many years to do what they do. It would be foolish to not listen to what they say, right? Wrong. “The experts” can lead us off a cliff all in the name of THE SCIENCE™. It's happened time and time again. COVID-19 is the most recent example.

As Christians, we should question THE SCIENCE™—whether it's the theory of evolution or global warming or the value of the lockdowns. Don't believe something simply because those in power tell you it's true. They might be right, but maybe not. We must be discerning (1 John 4:1).
