## WHAT WE BELIEVE

~ That Jesus is the Son of God who became a man to die for the sins of the whole world; He was raised from the dead and ascended back to heaven; He is coming again. (1 Cor 15: 1-8)  
 ~ That the Bible is the inspired word of God and is the only authority for our faith (what we believe) and practice (how we are to live). (2 Tim 3:16) ~ That every person has worth as a creation of God, but that all have sinned and fallen short of the glory of God. (Rom 3:23) ~ That forgiveness of sins, the promise of eternal life and an abundant life are available to those who believe that Jesus Christ is Savior and Lord. (Jn 3:16) ~ That those accepting Christ shall repent of sin, confess faith, and be baptized into Him. (Rom 10:9; Acts 2:38) ~ That the Church exists to provide for the spiritual growth of the people and to see that the Gospel is preached to everyone. (Eph 4:1-16) ~ That Jesus Christ will one day return to earth and reign forever as King of kings and Lord of lords. (1 Thess. 4:13-18)

## “MEMBER SPOTLIGHT”

### #1 Best-Seller

The best-selling book last year is not on any best-seller book lists. This book is the best-selling book *every* year, and the best-selling book of all time according to Guinness World Records. You guessed it—the Bible. Translated into over two thousand languages, the average American household contains more than four Bibles. It is the book of books, which is what the name “Bible” means.

Its impact is unprecedented. Its truths have changed the world, as well as our nation and culture. We would not have our constitution without it. The abolition of slavery would not have happened without the teachings of the Bible. God’s Word inspired the civil rights movement. The most amazing impact is the transformation of countless lives who have come to know Jesus through the pages of Scripture. Psalm 119:105 says, “Your word is a lamp to my feet and a light to my path.” God’s Word is our life instruction manual; it shines on our feet as we walk through life and it shows us the way to live.

Owning a Bible is different from believing what it says. People have Bibles, but few make a habit of reading it. Only 26 percent of Americans say they read it regularly. If God wrote a book, wouldn’t you want to see what He has to say? Wouldn’t you want to *do* what He says? Do you struggle with Bible study? Join others in Bible studies. Take an Institute class this fall. If picking up your Bible would cause a dust storm, then it is time to make your Bible more than a decoration. The Bible of a follower of Christ appears worn and tattered, not pristine. It is read often, not simply gathering dust. How dusty is your Bible?
